

INTELLECTUAL PROPERTY AGREEMENT

During my employment by, appointment with, and/or affiliation with the University of Florida, I may discover, invent, or create work products that may be copyrighted, trademarked or patented.

I understand and agree that, because of my employment, appointment, and/or affiliation, the University has a valid interest in all such matters whether they be writings, designs, productions, inventions, discoveries or developments, conceived and/or made by me during any period of University employment, appointment, and/or affiliation, as well as any related copyrights, trademarks or patent rights, actual or potential.

As a term of my employment, appointment, and/or affiliation, I understand and agree that the University shall own and hold any such inventions, discoveries, or any other material that may be patented or trademarked in accordance with a determination made by the University which shall take into account the relative contributions made by me and the University, the extent to which University resources and facilities were used, and whether the invention, discovery, or any other material that may be patented or trademarked arose out of the field or discipline in which I was employed, appointed, or affiliated. In addition, as a term of any employment, appointment, and/or affiliation, I understand and agree that the University may hold and own work products that may be copyrighted pursuant to the rules of the University and/or applicable collective bargaining agreements.

I agree to assign to the University or its designee at its request any rights I may have in such work products that the University owns as described above and actual or prospective patents, trademarks or copyrights on such work products.

I also agree not to transfer any rights or disclose any information concerning any such work products or the work products of any other University employee, appointee, or affiliate to any person other than as permitted by the rules of the University or applicable collective bargaining agreements.

By execution of this agreement I understand that I am not waiving any rights to a percentage of payments received by the University for such work products as set forth in the University of Florida Intellectual Property Policy.
